Friends of Yemin Orde

July 10, 2012

Dr. Ben Williamowsky  
50 W. Edmonston Drive, #303,  
Rockville, MD 20852

Dear Dr. Williamowsky,

Welcome to the Yemin Orde family! On behalf of the children and staff at the Village it is my pleasure to thank you for your support and recent donation of \$3,750.00 from the Alpha Omega Foundation to Friends of Yemin Orde. Please know that your generosity will have a direct impact on the lives of at-risk immigrant youth at the Village. This gift will be used to support the fire recovery efforts at Yemin Orde Youth Village in Israel.

Our recovery progress, thanks in large part to the generosity of supporters and volunteers, is nothing short of a miracle. The children at Yemin Orde continue to thrive and learn as the Village readies itself for the next phase of rebuilding.

Once the rebuilding is finished, our Village will be, if possible, even more beautiful than before, with a brand new library, new homes for children and staff who were displaced, landscaping to cover the acres of charred ground, modernized electrical and plumbing systems and a new road system for safer pedestrian traffic.

We are truly grateful for your commitment and honored to include you among our family of friends!

Sincerely,

*Karen*
