“ THE CARE I RECEIVED FROM EVERYONE WAS OUTSTANDING.

EVERYONE WAS FRIENDLY AND GENUINELY CONCERNED ABOUT MY NEEDS.

SAYING THANKS FOR SPECIAL CARE

We often hear praise for our staff. Compassion for the oral health needs of the people we serve is our mission.

That mission is also why we support the **Alpha Omega Foundation-United States**. The Foundation is dedicated to advancing oral health through its **Global Oral Health Initiative** improving the human condition through dental health, education, research and access to care.

Some of these efforts include free or discounted dental care to those in need of any age in the United States and throughout the world; free education and dental care to children and youth; and research to advance access to oral health for everyone.

Often, our patients and families leave our practice wanting to say thanks in some special way. Now, through “**Saying Thanks for Special Care**”, you can recognize a member of our staff who provided special care for you or someone you know.

By using this self-mailer, you can put your thanks in writing. Make a charitable contribution to the Alpha Omega Foundation-United States in honor of that special person. Show your thanks and advance dental care for those less fortunate through your 100% tax deductible charitable donation today.
